Dear Aite Araya Meried,

We, the Alumna of Agazi have learned that the ancient Queen Sheba Elementary School has been classified as a commercial zone, the students distributed to other schools, and plans are under way to build shops and stores in its place. We, as Alumna of a similar school in Tigray, would like to express our concern at such a plan and we are in agreement with the Alumna of Queen Sheba that the school should be saved from demolition. Please reconsider and let former students, supporters and residents be given an opportunity for an input in saving the school.

Sincerely,
